

FUEGO

SlimStation IP

The New FUEGO SlimStation IP Series from Cotell brings unequalled style and cutting-edge design to today's modern hotel bathroom.

Developed to satisfy open SIP standards and the PBX Manufacturer's own proprietary IP functions, Cotell SIP phone technology allows the hotelier to benefit from Internet Protocol-based (IP) communications and converged networking without foregoing the elegant simplicity, style, and practicality of the hotel bathroom telephone.

THE HOTEL PHONE HAS EVOLVED.
